Tuning Standard

D

Got a dollar in my pocket

C **D**

Got a bottle in my hand

D

Got a vision in my head, babe

C **D**

Of the promised land

F

Gonna leave this place behind me

G **D**

Gonna go there if I can

One more New Years

One more New Year's Night

One more New Years

One more New Year's Night

We'll start all over

This time we'll do things right

instrumental over verse

Another year gone

Feel like I've been doing time

Another celebration

Another bottle of wine

Time to wrap up all our worries

Leave 'em all behind

refrain

instrumental over verse

So gather all your blues, honey

Wrap 'em all up tight

Throw 'em out the window

Let's do this thing up right

We'll start again tomorrow

After one more New Year's night

refrain, ending slowly on last line
