Also done in Cm tuning on baritone banjo. Response to Ain't No Grave.

Ain't no slave, ain't some Maker's tool
Ain't no way, you can make that true
In my grave, won't be nobody who
Can change a thing, that I say or do
The shackles that you think you see on me
Are keeping you from being free
Ain't no slave, ain't nobody's fool
Ain't no slave, ain't nobody's fool
Ain't gonna waste, the time I'm here
Ain't gonna live, my life in fear
Gonna be free, until I die
I won't believe no cringing lies

refrain

Ain't gonna live, no fairy tale
Won't kowtow, to No One else
Gonna sing now, to my heart's content
Cuz when I die, that'll be the end

refrain
