

All the Blue

BMI: 67958020

Key: Cm
Normal Capo: 3
Composer(s): David Graybeard
Using Capo?: Yes

instrumental over verse and refrain

It's a hard thing in the morning, to get my feet onto the floor
Take a couple tokes, maybe a couple more
Lookin' out the window, it's a cold, gray, rainy day
My head is filled with fog, my joints are full of pain
I'm just layin' here soakin' in the blue (x2)

instrumental over verse and refrain

I step out on the street, take a walk downtown
Everyone I meet looks like they're from the lost and found
Waitin' on a stranger, to come and take them home
Stoppin' by for coffee, so they don't feel so alone

And I'm just sittin' here, drinkin' in the blue (x2)

All that I see is blue (x2)

instrumental over verse and refrain

Lookin' down the block, there's a line of steaming cars
Waitin' at the light, where the minutes seem like hours
In a rush to get to work, where they don't really wanna be
Torn between what they have to do and wanting to be free

And I'm just standin' here, takin' in the blue (x2)

bridge

instrumental over verse and refrain

Think I'll head on back to bed, just lay my body down
Lay my head back on the pillow, before it starts to pound
Maybe listen to some Burnside, maybe take another toke
Try to keep from thinking', try not to give up hope

I'm just layin' here, drownin' in the blue (x2)

end with instrumental last line of refrain chords, hammer on final chord
