

Ballad for the ICE Man

BMI: 79740988

Key: Em
Composer(s): David Graybeard

Don't want you 'round my neighborhood

Don't want you at my door

Don't want you comin' round at night

Don't come around here no more (x3)

You ain't supposed to be here
You're just trying to start a fight
You ain't supposed to be doin' what you're doin'
You ain't that got the right (x3)

Don't want you 'round my house
You got evil on your mind
If you have got to hide your face
Then you ain't on my side (x3)

I'm tired of being hassled
Tired of being coralled
So damn tired of this whole damn thing
Better watch yourself (x3)

Don't want you 'round my neighborhood
Don't want you in my schools
If you don't stop comin' round
You'll see what I can do (x4)

repeat last line, slowly, staying on tonic chord
