

Best Intentions

BMI: 67902409

Key: E
Normal Capo: 4
Composer(s): David Graybeard
Using Capo?: Yes

instrumental over first line

C **Em** **Dm** **F** **G** **C**
The best laid plans, so they say, often fall apart
C **Em** **Dm** **F** **G** **C**
Every plan I've ever made must'a been doomed right from the start
Best intentions, pave the way, down the road to hell
Although I tried, in every way, guess mine went that way as well

Am **G** **F**
Good-bye, my darling boy
Am **G** **F**
Good-bye, my son
Am **G** **F**
Good-bye, my darling boy
Am **G** **C**
I pray I'll see you, again (x2)

instrumental over first line

Lookin' out the window, as I write these words, watching some children play
Wonderin' why, it has to come to this, how it can turn out this way
The innocence, that we shared, that filled your eyes with hope
It's faded now, if it's even there, it's all gone up in smoke

refrain

instrumental over first line

Too many things, can twist a boy, as he becomes a man
It isn't right, it isn't fair, it's more than I can bear

refrain

repeat last line of refrain for third time, slowing down to end
