G D Em C G D C

instrumental

G D Em C
Busted and bungled, cracked up and crumpled

G D C D
Disorder doubled, fouled up and fumbled

G D Em C
High aspirations, silently humbled

G D Em C
This is what it looks like

G D C
This is how it feels

G D Em C
Careening through it, madly

G D C
On broken wheels

instrumental

Scuffed up and skanky, coddled and cranky
Garbled and goofed up, confused by candy
Ignorant, ignoble, flattered by fancy

This is what it looks like
This is how it feels
Sifting through it badly
Bowing as we kneel

instrumental

Filtered unfairly, unreal, uncaring
Jaded and jolted, awake, unwary
Watching as it grows, ever more daring

This is what it looks like
This is how it feels
Living it through it sadly
Hoping it can be healed

repeat last line twice, ending on first chord of verse
