Am **G** **F** **E**
I used to play this old guitar

Am **G** **F**
I knew a cheerful song

Am **G** **F** **E**
I played the song in all the bars

Am **G** **F**
But it's been so long

Am **G** **F**
Yeah, it's been so long

Em **F** **G**
Yeah, it's been so long

I loved my dear Columbia
More than words can tell
She loved me but, she went away
She left me in this hell (x3)

Since that day, haven't been the same
I don't know what to do
I walk the streets, I play the game
I keep on pushing through (x3)

F **Em**
I chant this chant of my silent soul

F **Em**
For you, Columbia

F **Em**
With aching hope you'll come back home

D
Back home

So here I am, with this new song
Trying to cleanse my soul
Voice the pain, until it's gone
Try to take control (x3)
