instrumental over first line

We've been walking, down this road
For so long, for so long
And the lies, that we have told
They have grown, they have grown
We've been singing, the same old song
And now it's done, now it's done
And we'll watch, as it unfolds,
It won't be long, it won't be long
It's all gone wrong (4x)

instrumental over first line

Hello neighbor, hello stranger
Are you a friend, are you a friend?
Can you tell me, about this danger
Will it end, will it ever end?
Do you remember, time in the sun
Way back when, way back when?
Will it ever, be back again
Tell me yes, please tell me yes
It's all gone wrong (4x)

instrumental over first line

Thoughts are heavy, thoughts are weighing
Should I be leavin', should I be stayin'?
Should I be angry, and be outspoken
Or is it all too badly broken?
Should I be wary, and keep my head down
Hide away, until sundown
Just me and mine, safe for an hour
Just surrender, in the face of power?
It's all gone wrong (4x)
