Sing with me, come on and sing with me
We can make sweet harmony
All you gotta do is come along and sing with me

Sing, mama sing, sing mama sing

Jam with me, come on and jam with me
Just choose a key, what will be will be
We'll hit a groove musically when you jam with me

Jam, mama jam, jam mama jam

Now spoon with me, come on and spoon with me
Don't ya know that we, will fit perfectly
Just slide on over, cuddle up and spoon with me

Spoon, mama spoon, spoon mama spoon

Won't you stay with me, come on over and stay with me
When we're together, I'm sure you'll agree
It's as right for you as it can be, when you stay with me
