instrumental over first two lines of verse

C **G** **Am**
You're the reason that I came here tonight
C **G** **Am**
You're the reason I'm still here
C **G** **Am**
Your voice is very soothing when you're talking to me
C **G** **Am**
As I'm sipping on my beer
F **G** **C** **Cmaj9** **Am7**
It was easy to do, now I'm in love with you
F **G** **C**
And I think the time may be right
F **G** **C** **Cmaj9** **Am7**
I hope that you might love me a little too
F **G** **C**
And stay with me tonight

instrumental over first two lines of verse

There's grace and beauty in your every movement
Your hips, they swing with elemental style
Your eyes are bright, I know there's something in there
You've got Mona Lisa's enigmatic smile

refrain

instrumental bridge (x2)

GG FF C Am G

When I leave here, later on
When I walk outside that door
I hope that you will be there waiting
To take me in your loving arms

refrain, repeating last two lines
