On the **Em** silent edge of night, **G** where our dreams collide

Am I am holding on, **Em** I'm holding on so tight

Em I look around for you, **G** but you're no longer there

Am You have left behind, **Em** a frozen vacant stare

Fmaj7 And I don't know if you ever really **G** cared **Am**

Fmaj7 And I wonder if you ever really **G** cared **Am** **G**

I pace the halls alone, not waitin' for the phone
Not thinkin' that I don't, not singin' an old song
Not callin' an old friend, been there and back again
Not bein' where I've been, nothin' to comprehend

And I don't know, if I ever really cared
And I wonder, if I ever really cared

When I awake in time, cobwebs fill my mind
The spiders show no sign, of being afraid of time
They seem to feel quite free, to capture the debris
And live off our decease, completely at their ease

And I wonder, if we ever really cared
And I don't know, if we ever really cared
Does it matter, if we ever really cared?
