Emily, Emily, Emily I love to see

Bb You smile, to see you smile

Bb To see you smile, To see you smile

C **Bb** Emily, I love to see you smile (x2)

Anything, anything, I would do, most anything
For you, for you
For you, for you
Emily I'd do anything for you (x2)

Fmaj7 **Bbsus9**
I wish that I was not afraid to say

Fmaj7 **Bbsus9**
The things my heart wants to convey

Fmaj7 **Bbsus9**
Prob'ly sounds like an old cliché

Bb **F**
But I hope that you might feel the same way

Your raven eyes, are deep and warm, in their gaze I happily
Would drown, I would drown
I would drown, I would drown
In your gaze, I happily would drown (x2)

Your raven hair, is loose and long, it lies in waves, against your skin
So fair, so fair
So fair, so fair
I'd love to run my fingers through your hair (x2)

bridge

Emily, tell me please, tell me please, will you be
With me, be with me
Be with me, be with me
Emily, will you be with me (x3)
