Don't look for me mama, 'cause you know I won't be around (two short stops)

instrumental over verse

You're wicked and cold, you're sassy and bold

Got me on the run, got me under the gun

You're shootin' me down, you're shootin' me down

I'm goin' down now, you're tryin' a shoot me down

Don't look for me mama, I won't be coming back 'round

instrumental over verse

Man it's a joke, that I always hope

To be here with you, when you do what you do

I'm sinkin' down, you're draggin' me down

I'm sinkin' down, I'm really sinkin' down

Don't look for me mama, you know I ain't foolin' around

instrumental over verse

Just give me a break, its all I can take

Get off my case, get me out of this race

I'm slowin' down, babe you slow me down

I'm slowin' down, nothin' left but down

Don't look for me mama, 'cause you know I won't be around
