instrumental over verse

I guess I spend my life, messing things all up
I always leap before I look
Not sure why I can't be, content with what I've got
I'm always biting at the hook
But she is looking so pretty...

instrumental over verse

Was it worth the pain, was it worth the shock?
I'll be damned if I can say
Sometimes you roll, but you can't always rock
You can't always control what music plays
Yeah, she was looking so lovely...

instrumental over verse

If there's a moral to this story, I ain't the one to tell
What's always lost cannot be found
Life has bits of heaven and boatloads full of hell
The ups and downs make the world go round

C G
She may be looking so tempting
C G
Beware that high voltage sign
C G
Just keep those red lights flashing
D C G
In your mind, in your mind, in your mind
