I want you to groove with me x4

instrumental over first two lines of verse

Here I am, trying to play for you
Here I stand, like a fool on a hill
When the sun's going down
I hear the spheres spinnin' 'round
You can hear 'em too, if only you will

There you are, so far away
There you stand, trying hard to be cool
You need to groove, you've got a world to see
You must be here, to follow the fool
