Went to sleep last night, with a heart full of dread  
**G** **G7**  
Got up this morning, then went right back to bed  
**C** **C7** **G**  
'Cause it's over, yeah it's over  
**D** **D**  
You can spin it all you want, tell yourself it ain't true  
**C** **C7**  
If you think it'll help, to pretend we ain't screwed  
**G** **C** **G** **D**  
But it's over  
Woke up pretty late, it was pouring rain  
Got myself a date, with Miss Mary Jane  
'Cause it's over, yeah it's over  
You know I just can't think, of nothing better to do  
I can't help myself and, I sure can't help you  
'Cause it's over  
Now I asked my family doctor, to relieve me of my pain  
She said ya gotta know boy, you're gonna be back again  
'Cause it's over, it's over  
You may feel bad right now, but just wait a little bit  
You know you ain't seen nothing, nothing as of yet  
'Cause it's over  
Now little bit by bit, this is just the start  
All that we have built, is gonna be ripped apart  
'Cause it's over, it's over  
You can stand in the way, maybe get yourself some hurt  
Or you can hide away, hoping it don't get no worse  
But it's over
