

Glimpse of Freedom

BMI: 79740866

Key: C
Composer(s): David Graybeard

instrumental over verse

C **Am**
Chickens in the yard, scratching in the mud
F **G** **C** **F**
Trying to find enough, just to get by
Am **G** **C**
They're trying to find enough to get by
Their dinosaur movements, and their dinosaur sounds
Make me realize just how long they've been around
And I was **hoping** I might **catch** a glimpse of **freedom**

instrumental over verse

The sheep down in the pasture, workin' at the hay
Packaged up and divvied out, never asked for it that way
They never did, ask for it that way
They're stuck behind the wire, a life behind a fence
Whatever they are thinkin', they haven't got a chance
And I was **hoping** I might **catch** a glimpse of **freedom**

instrumental over verse

Dogs stretched out in the sun, waiting for a sign
Eat or sleep or sound alarms, whatever it's just fine
Whatever happens, it's just fine
I see it all from here, and have to catch my breath
The life I see around me, is like a living death
And I was **hoping** I might **catch** a glimpse of **freedom**

F **C**
Freedom's just another word, for not just living every day
F **C** **G**
Not just takin' what you're given, not just makin' it along the way
Am **G** **C**
And **you** just might **catch** a glimpse of **freedom** (x2)

instrumental over verse

Sitting in the house, working at the desk
Scratching out a living, trying hard to do my best
Just trying hard, tryin' to do my best
Step out on the porch, looking down the road
Hoping against hope, that it will ease my load
Hoping I might **catch** a glimpse of **freedom** (x2)
