instrumental over verse

You started swayin', as I was playin'
You started movin' and I was groovin'
You started dancin', and then my heart took flight
I want to love you, even though it ain't right

brief pause, then instrumental over verse, in rockin' version

continue in rockin' version

We could be rockin', we could be rollin'
We could be laughin', we could be jokin'
We could be hummin', we could be outa sight
We could be lovers, even though it ain't right
We could be lovers, even though it ain't right

brief pause, then instrumental over verse, in original version, slowing down toward the end

Bm(add11) **A#dim** **Am** **E7**

Oh yeah, I know, it just ain't right
