F No love just ain't lovin' me back **G** **C**

I try to love with all of my heart
But there always seems to be some missing part
What do other hearts have that mine lacks?

Cuz love just ain't lovin' me back

Am I can't tell you just why **G**

Am Something inside of me is dyin' **G**

Am I'm just startin' to realize **G**

C
That it's only mine

I'm afraid if I should take another chance
You may want to love me but you can't
That town just might not be on my map

And love might not be lovin' me back

Could it be that this time it's real
That your heart is feelin' just what mine feels
Could it be it's finally in my grasp

Could love be finally lovin' me back
