Em A7
I can see right through you
Em A7
I can see what you need
Em A7
Ain't nothin' to talk through
Em A7
Nothin' to conceal
Em A7
Stop foolin' around, mama
Em A7
Stop spinnin' your wheels
Em A7
Just let yourself go
Em A7
Just let yourself feel
Fmaj7 B7
So take some time
Fmaj7 B7
Yeah take some time
Fmaj7 B7 Em
Just take some time, to be free
You're sittin' there quietly
Light flashin' in your eyes
Speaks louder than you do
And the light don't lie
Time to take a chance
Lose your disguise
You can take command
You can improvise
So open up your mind (x3)
