instrumental over first two lines of verse

Em C G D
She is takin' on a heavy load
Em C G D
More than she might ever know
Em C G D
She left behind a thing or two
Em D
He didn't notice... in the gloom

He was hoping they might become a thing
Sometimes thinking 'bout gettin' her a ring
Then something different, might really begin
But now she's gone... from the room

Am C G D
The worst laid plans of a woman and a man
Am C G D
Always lead back to where they began
Am C G D
Back to nowhere, just where they had planned
Em
Again

instrumental over first two lines of verse

She'd been waiting for a spark to ignite
Quietly hoping that someday one just might
But in her heart she knew it wouldn't be
She woke up late... and she could see

He wondered why they would never fight
Inside he knew that something wasn't right
Now she's gone and he can't begin to feel
She woke him up... he knows it wasn't real

refrain

repeat first instrumental/verse and end on "gloom", resolve with Em
