And a giant slice of crazy
G **A7** **D**
Is enough to blow your mind
G **A7**
So ya gotta take it slow
G **A7** **D**
Take one bite of crazy at a time

instrumental over verse

The world has gone insane
Looks like Mr. Crazy's taken charge
And you may be wond'rin'
Just where we oughta start
But if you break it down
One bit of crazy ain't so hard

Things are out of hand
A mountain of crazy left to climb
It's lookin' so damn high
Like it just ain't worth the tryin'
But ya gotta take it slow
One step past crazy at a time

You may be thinkin' I am wrong
That Mr. Crazy has just won
You may have given up
You may say it's just too much
Just take a single bite of crazy
The only way it can be done
