

Out of the Frame

BMI: 79740880

Key: A
Normal Capo: 2
Composer(s): David Graybeard
Using Capo?: Yes

instrumental over verse

G **Bm**
Where I'm headed now, don't know for sure
C **G** **D**
Don't know where I can be found
G **Bm**
But If you're travelin' down that same road
C **G** **D**
You might see me around
G **Bm**
I really want to forget my name
Em **C** **D**
I really need to stay out of the frame
G **Bm**
The time for planning, is over and done
Em **C** **D**
The future came and now it's gone

I know I've seen your face, somewhere else before
Guess that may have been someone else
Differences, in the wealth of chance
Still seem to run in parallels

refrain

instrumental over verse

You were saying, something I should know
Something I must've known before
All I remember is the passion in your voice
I just can't feel that any more

refrain

It's time to go now, I need to leave
It's hard for me to stay
I agree, though, it's important to be sure
Until the future comes your way

refrain (x2)
