I can never win

instrumental over first three two of verse

I'm over the hill now, and very far away
I'm under cover now, almost every day
Over and above, the dues I have to pay

Over and under, and over again
Over and under again
Over and under, and over again
I can never win

instrumental over first two lines of verse

Runnin' down the next road, climbing up the next hill
I'll get down on my knees, looking up at you until
You finally break down and wake up just a little

Up and down, and down again
Up and down again
Up and down, and down again
I can never win

instrumental over first two lines of verse

In and out, up and down
Over and under again
Roger that, over and out
I can never win
I can never win
I can never win
I can never win
