instrumental over verse

Em

Clouds are gettin' dark, and hangin' low

C

Leaves on the trees are folded close

Em

A dog up the road is startin' to growl

C

Ears laid back, lips curled in a snarl

B7

All the signs are here, and I should know

C

They're telling me that I'm 'bout to go

B7

Em

I'm 'bout to go, down Perdition Road

instrumental over verse

A wrong turn, a small mistake
A few missteps, a twist of fate
The growing dark makes it harder to see
The way to be safe, the way to stay free
A distant rumble, deep and low
Is telling me, I'm 'bout to go
I'm 'bout to go, down Perdition Road

Am

G

I try to watch my step as I go

Am

G

My eyes are blind, I don't want to know

Am

C

I'd turn to you, to save my soul

B7

'Cept you have joined me, on that road

C

B7

Em

Down that road, down the road, down Perdition Road

Why can't I turn, and head back home
Why can't I leave it, an unturned stone
What the hell, is wrong with me
Why can't I let it go, just let it be
Why take on such a heavy load
It's bound to pull me down, down and low
I'm 'bout to go, down Perdition Road

instrumental over verse

Tell my family, I'll miss them so
Tell my friends I just had to go
I tell myself, there ain't no choice
But when I speak, that ain't my voice
'Bout to lose control, 'bout to lose it all
'Bout to stumble, I'm 'bout to fall
I'm 'bout to go, down Perdition Road
