Persephone, unbound

instrumental over first two lines of verse

A glimpse of hope, the end of cold
A robin pulls at what she's found, what she's found
Ice on the pond, is nearly gone
Where it once was still, there is sound, there is sound
refrain

instrumental over first two lines of verse

The crocus shoot, for their time of truth
Huddled together in a mound, in a mound
And from within, this chilly wind
There seeps a fragrance so profound, so profound
refrain, repeating last line a third time to end
