instrumental over first two lines of verse

C **Dm**
For just about forty years, been wanderin' around out here
F **Em** **Am**
Been looking for a place that feels like home
C **Dm**
But nothin' seems to change, nothin' out here but waste
F **Em** **Am**
Nothin' here but drifting sands and bleached out bones
Dm **Am**
But there's a place with milk and honey
Dm **Am**
Or so I have been told
Dm **Am** **Em**
I could never find it, and I'm still out in the cold
Dm **Am**
A place with milk and honey
Dm **Am**
That's what I have been told
Dm **Am** **Em** **F** **G** **C**
I wish you luck in finding it, before you grow too old (too old)

instrumental over first two lines of verse

Well they whipped me forty times, whenever I crossed the line
And I'll never understand why they were so unkind
I've seen forty days of rain, and forty nights again
Forty days of waiting for the sun to shine
refrain

instrumental over first two lines of verse

Forty nights and forty days, I suffered in so many ways
Can't say that I've ever felt so alone
And forty days and forty nights, of unspeakably fine delights
Couldn't wash away all the dirt that's in my soul
refrain
