instrumental over first line of verse

You look down from your prison cell
You look so awfully alone
When you finally see me there
Darling, let your hair down (x4)

instrumental over first line of verse

A moth to a light I am drawn to you
It's like I'm coming undone
Will it rescue you or you rescue me
Darling, let your hair down (x4)
It's no magic power, that has me under a spell
Hanging round your tower,
In my own hell
Darling, let your hair down (x4)
