Key: Cm
Normal Capo: 3
Composer(s): David Graybeard
Using Capo?: Yes

Am G F E
I think, I know

Am G F E
I hear my heart beat, soft and low

Am G F E
I feel these hands, the flow of time

Am G F E
But I can't escape the fact that I

Am G F E
Share a place within my mind

Am G F E
With a watchman

Am G F E
A watchman

I walk out, into the day
We agree, what to do and say
I am, and I was
But is it only, just because
Of a watchman
A watchman

Am I him, watching me?
Is he alone, is he free?
What does he, depend upon
Am I the singer, or the song
Of a watchman?
A watchman

I love, your face
I love your touch, your smiling grace
I love your body, I love your smell
But who beholds, and who's beheld
By the watchman?
A watchman (x4, ending on first chord)
