

Relief

BMI: 79740940

Key: **Am**
Composer(s): **David Graybeard**

chord notes are picked with alternate bass/treble to match word meter

Amadd2/E

The baseline angst that we've been dealt

Dmadd4

From evolution's excess wealth

Fmaj13/E

Our will to live against the need to die

Amadd2/E

Ironic in their very nature

Dmadd4

Our Hectic, hasty lives together

Fmaj13/E

E

Am

We cover it with webs of bare-faced lies

The nearness of annihilation

Raises up abominations

Stories that we tell to get us by

And yet somehow the stories yield

Like magic beans in magic fields

A substance that is beautifully alive

Playback of the story books

A second order, second look

Kindles an awareness of disguise

The universe awakes in us

Aware and somehow numinous

Lending solace to the hearts of inner eyes
