The frosty autumn air

Seeps beneath my clothes

The rustling of the leaves

Whispers "You are not alone!"

A long, low howling gust
Through a broken window pane
The great October moon
Kindles droplets in the rain

This is the time, when you feel the spirits rise

Am

The Otherworld is here, just behind your eyes

I feel them out tonight
All my kith and kin
From the olden days
I can hear them in the wind

The spirits of the trees
Creaking, moaning souls
They're watching as I walk
I keep my head bowed low

refrain

repeat first verse and slow at end on "alone"
