Key: C

## instrumental over verse

**C** **Am** **F** **G**  
Time hangs heavy as I walk

**C** **Em** **G**  
Time's not on my side

**C** **Em** **Am**  
Every step I take's a grain is dropped

**F** **G** **C**  
In the sands of time

Time was that you thought of me  
Every now and then  
With time I hoped that you would be  
More than just my friend

**F** **G**  
Love can be a blessing, and

**F** **G**  
Love can be denied

**C** **Em** **Am**  
Tell me our love won't be lost

**F** **G** **C**  
In the sands of time

## instrumental over verse

Many times you said to me  
That I was wasting my life  
But now that I can finally see  
I'm miles over the line

refrain

## instrumental over verse

By the time I make my way back home  
Will you have time for me?  
For so long I've been alone  
Time's not been kind to me

refrain, repeating last line to end
