BMI: 79740926

Key: E
Composer(s): Gordon Holloway and

E
Movin' nice and slow, walkin' down the street
Rain fallin' on my face, splashin' on my feet

A
Face lifted up, pointed at the sky
Feelin' like I'm solid, feelin' like I'm alive

D
Things are lookin' better

C7 **B7** **E**
I'm shaking off the blues

I'm getting back to normal, back in the groove
Everywhere I go, people on the move
Hell aint' other people, can't agree with Sartre
Can't know what it is like, 'til you're forced apart
Now I'm part of what is happening
I'm shaking off the blues
