Just want a woman that wants a man (x2)

instrumental over first line of verse

I ain't a hero, and I ain't a saint

But I ain't that bad, do the best that I can

Love can be easy, it don't have to be hard

Love can be simple, if it's straight from the heart

refrain

instrumental over first line of verse

I'd love to hold you, get to know who you are

Take a walk with you, slowly, out under the stars

Wake up in the morning, with you in my arms

Holding you close, talking heart to heart

refrain

instrumental over first line of verse

What about you, what's on your mind?

Is it enough to be gentle, is it enough to be kind?

Try to control it, tie down what you feel

It won't be simple, it won't be real

refrain, repeat last line, slowing down
