I'm captured in your ocean

Em

Am

Your smile rides on the wave

Dm

Am

I'm awash in my devotion

F

G

G

Am

When I look up at your face

instrumental bridge

Your hair is long and lovely

Flowing to your waist

I see it float above me

I'm lost within its wake

I'm lost within its wake

G

F

Am

Oh, I want to see me in your eyes (x2)

I'll swear you were a mermaid

Maybe long ago

I can't stop my yearning

When I hear your siren song

When I hear your siren song

instrumental bridge

Are you what you seem?

You're fading in the gray

Or am I simply dreaming

Am I lost within your gaze

Am I lost within your gaze

bridge with lyrics

repeat last line of bridge, slowing to end
