instrumental over first line of verse

C **G**
My eyes, shut against the brightness
F **Am**
Of the sunshine, flooding into my mind
C **G**
My ears, pounded by the sound of
F **Am**
Roiling white noise, from where only God knows
F **Am**
I ain't sure where I am
F **Am**
Can't remember where I've been
F **Am** **G**
All I know, is who I am, is slipping away

instrumental over verse and refrain

I'm walking, I think I'm talking
What I'm saying, may just be praying
I'm surrounded, by many voices
Of many others, restless and waiting
I ain't sure, who they might be
Doesn't really matter, that much to me
All I know is, they seem to be, slipping away

instrumental over verse and refrain

I stumble, as I wade through
This profusion, trying to find you
And I'm falling, into twilight
Into shadow, without rescue
I ain't sure, where you are
I don't remember back that far
All I know is, who you are, is slipping away
