How many foes hidden, in the trees?

How many ways, how many ways can we be free? (x2)

I wanna know, what can't be known

I wanna go, where we can't go

I wanna see, what can't be seen

I wanna be, I wanna be set free (x2)

Dm
It's callin' out

C
It's callin' out my name

Dm
It's callin' out

C
It's callin' out my name

G
My name

We have evolved, we know we know

But we only know, our tiny home

We only have, an eyeless blink

How much more, how much more can we think? (x2)
