

Somehow You and I

BMI: 79740921

Key: E
Composer(s): David Graybeard

It may be ^Efate, it may be ^Akizmet

There's ^Eis what is, and not what ^Aisn't

^CBut somehow you and ^DI were meant to be ^E(x2)

Can't stop the clock, we can't stop dying
There's just some things, there's no denying

^CAnd somehow you and ^DI were meant to be ^E(x2)

^DLet's do this thing, let's take a leap of ^Afaith ^E

^DLet's take a chance and try to seize the ^Aday ^E

^CLet's get this crazy ship ^Dunderway ^E

I ain't wrong, and I ain't crazy
Cuz there's no doubt, there's no maybes

^CYeah, somehow you and ^DI were meant to be ^E(x2)

Just trust your heart, and trust your senses
Just drop your guard, and your defenses

^C'Cause somehow you and ^DI were meant to be ^E(x2)
