Am
Couldn't keep up with your blues
Am Em
They came and took you well before your time
Dm
Now everyone is saying
Dm
How much they miss your playing
Dm Am
How much life, how much hope you inspired
Em
You had so much to give
Dm Am
Didn't keep enough to live, inside

instrumental over last abbreviated verse

Now it's been a long, long time
Since we were in our prime
But even then, a part of you was crying
You would always lose
To the genius of your muse
A little piece of you without trying
And I could always see
That you would always be close to dying

instrumental over last abbreviated verse

You once said to me
That happiness has no meaning
And that you'd rather be satisfied
Well I hope that you
Found satisfaction too
In all the things you did, in all the things you tried
Your candle has burned bright
Into the lonesome night, there's no denying
