

Spillway

BMI: 79740877

Key: D
Composer(s): David Graybeard

Dadd9 **A/E** **G6/A**
I don't really know what this means
Dadd9 **G6/A**
And I don't know if I should care
Dadd9 **A/E** **G6/A**
On this spillway of existence
Fmaj7 **G6/A** **A/E**
All we can say is that we both were there
Fmaj7 **G6/A** **A**
All we can say is that we both were there

instrumental over verse

Don't ask me what to do now
And don't ask me what to say
Don't tell me that you're frightened
'Cause it's far too late to change our way
'Cause it's far too late to change our way

Dm7 **G**
This never-ending tide
E7 **Fmaj7**
This overflowing life
Dm7 **E7** **A**
It's always growing away

instrumental over verse

You can leave right now if you want to
It isn't going to change a thing
On this spillway of existence
You will still be swiftly swept away
We will still be swiftly swept away
