Stephanie, what have you done, what have you done to me
E A E E D E
You're are so beautiful, anyone can see
E D E
Anyone can see (x4)
D E
Stephanie you're beautiful to me (x2)

I know you're very far, out of reach for me
If things were different man, that ain't the way it'd be
That ain't the way it'd be (x4)
Stephanie you're out of reach for me (x2)

I can't change who I am, or who I've come to be
But I would give most anything, if only you'd want me
If only you'd want me (x4)
Stephanie, if only you'd want me (x2)

Back to work, to a grayer world, at least that's how it seems
Have to stop and wake myself, have to end this dream
Have to end this dream (x4)
Stephanie, I'll see you in my dreams (x3)
