Composer(s): David Graybeard
Using Capo?: Yes

D
I'm a stranger
Em **D**
I wear a stranger's face
Em
I'm a stranger
G **D**
Here waitin' at the gate
A
I got the strangest feeling
G **D**
I been livin' out of place

I'm lonesome
Yeah I'm lonesome all the time
So lonesome
I've forgotten how to smile
Guess I'm just a casualty
One of history's near rhymes

G **D**
I do, I do, what I can
G **D**
But I ain't, I ain't got a plan
A **G** **D**
I am just another worried man

I'm walkin'
I am walkin' down the line
I'm walkin'
Taking any road I find
Can't see my way forward
Since I been left behind

I'm leavin'
I'll be leavin' here real soon
May as well
Be walkin' out on the moon
Maybe you'll think well of me
If you stumble 'cross this tune
refrain
