Key: A
Composer(s): David Graybeard

instrumental over first two lines of verse

A6 **Emaj7**

Golden, sunshine pouring down

A6 **Emaj7**

Sapphire, sky is reaching to the ground

A6 **Emaj7**

Ivory, visions sculpted in the clouds

Gmaj7 Gbmaj7 Fmaj7 Emaj7

And I find, that you are on my mind

Gmaj7 Gbmaj7 Fmaj7 Emaj7

Faded and blue, suspended in time

instrumental over first two lines of verse

Distant, the rumble of the town

Closer, a droning murmur of sound

Right here, fragrant whispers abound

And I hear, your voice in the air

Soft and warm, breath in my ear

instrumental over first two lines of verse

Hazy, elusive shimmer in the air

Stillness, tiny movements barely there

Swelter, clinging close, but unaware

And I see, you're not just for me

To be here, you need to be free
