You just don't get it, that's what good-bye is for

Just can't believe this, can't understand this

Just can't fathom this at all

Don't know how to say it, I can't explain it

Feel like I'm talkin' to the wall

refrain

You shouldn't be here, you shouldn't want me

You shouldn't need me any more

You can't just do this, you just can't stay here

Feel like a prisoner of war
