instrumental over second line of refrain

Am **Dm**
The words will not come, they stumble and they fall
F **E**
Careening through the hallways, colliding into walls
Am **Dm**
The enemy arrived, and barely had a fight
F **E**
Racing down the highway, cashing in the light
Am **Dm**
Borrowed time was spent, its arrow missed the mark
C **E**
And so say the whispers, in the growing dark
Am **E** **Am** **E** **Am** **E** **Am**
It's time, it's time, it's time

Thoughts are being scattered, as it approaches noon
Cowering in the corners, of isolated rooms
The wolves were at the door, but now they've come in here
We squandered all our bullets, what's left is only tears
The powder has been laid, ignition waits the spark

refrain

Vision is unfocused, it struggles in the gloom
It's hard to see what matters, it's hard to know the truth
Jack is back in charge, and Ralph is stepping down
Simon and Piggy, took the last bus out of town
Confusion is rampant, it's the only thing that's stark

refrain

The warning bells have tolled, but they were never heard
Guards posted at the gate, never gave the word
For those who remember, it's all happened before
Too many have forgotten, they're running back for more
It just goes to show, we haven't made it very far

refrain
