Gm **E7** **C7sus** **C7sus** **Gm** **E7** **C7sus** **F**

There you are my friend, you're back again
How long this time can you stay?
You're always welcome, here in this bedlam
We can't be choosers, come what may

...
We can't be choosers, come what may

It's just our lot, to know so little
We beg, we grope, and we pray
While you're here with us, slightly luminous
We listen close to what you say

...
We listen close to what you say

C7sus **F**
Til we're blown away
