Am
I can hardly speak

The way you swing those hips, puts me under a spell (x2)
Watch you walking away
I'm in a living hell

bridge

You don't even know me, you don't know I'm around (x2)
That's what leaves me tossin' and burnin'
Every night when the sun goes down

Can't you stop this hurting, can't you just look my way (x2)
It'll only take one word
That's all you gotta say

bridge

You won't be sorry, open your door and let me in (x2)
End this painful burning
Take me as a lover and a friend
