How the hell we gonna clean it out

instrumental over verse

It's stinkin' up the living room

Made a mess all over the floor

It's stinkin' up the living room

Made a mess all over the floor

What the hell were you thinkin'

Who let you bring it through the door?

instrumental over verse

The neighbors are complainin'

They can smell it way over there

The neighbors are complainin'

They can smell it way over there

Not sure I can explain it

Cuz I know it just ain't fair

instrumental over verse

It ain't just the smell

Now the wood's begun to rot

It ain't just the smell

Now the wood's begun to rot

Somethin's gotta give

No tellin' when, no tellin' who, no tellin' what
