

Wish it All Away

BMI: 67958015

Key: **B**
Normal Capo: **4**
Composer(s): **David Graybeard**
Using Capo?: **Yes**

larghetto; instrumental over first two lines of verse

G **Bm**
Sitting here in this empty bar
C **G D**
Regretting words that were spoken
G **Bm**
Half the time it seems that half the things I say
C **G D**
Come out half-assed and half broken
G **Bm**
So here I am now, and here I'll be
C **G D**
I'll still be here come tomorrow
G **Bm**
And there you go now, leavin' me
C **G D**
Leavin' me nothin' but sorrow
Em **C** **D**
I wish I had some magic words to say
Em **C** **D**
To take us back, re-begin the day
Em **C** **D**
A second chance, for wiping off the slate
C **D pause** **C** **D** **G**
I just wish that I could wish it all away

instrumental over first two lines of verse, whole verse if lead

Lean my head back against the wall
Close my eyes and stop drinkin'
Wishin' that she would decide to call
Knowin' that ain't what she's thinkin'
refrain

instrumental over first two lines of verse, whole verse if lead

Slam my glass down, angry at myself
It spills across the table
Better leave now, better take care
Better walk while I'm still able
refrain, repeating last line
