Honey, you were born to make me lose my mind  
You say you love me but you treat me so unkind  
One more shot of this whiskey and I'll be fine  
One more shot of blues and I'll be blind

Give me one more shot of blues for the road

Give me one more shot of blues 'fore I go

Give me one more shot of blues for the road

Give me one more shot of blues 'fore I go

*instrumental over 8 lines*

Is something wrong with me, or is something wrong with you?  
Why can't we sort it out and see this thing through?  
Another shot, another thought about you  
Another shot, another streak of blue

(bridge)

refrain

*instrumental over 8 lines*

Goin' down this crazy road seems to be our fate  
Loving you ain't that much different than hate  
One more whiskey to go 'fore I can't see straight  
One more whiskey to go 'fore its too late

And I can't really understand

Why you want me to be your man

Honey what else can I do,

'Cept drown myself in these blues

refrain

*instrumental over 8 lines*
